

[YDR Chartered Loss Adjusters](#) and Godfreys Chartered Loss Adjusters are delighted to announce that they have reached a mutual international agreement to provide catastrophic claims coverage between Australia and New Zealand

Godfreys are one of New Zealand's largest commercial loss adjusting firms. Their nation-wide network of offices provides a full range of commercial loss adjusting services. They specialise in handling large, complex, commercial claims for the insurance industry, as well as project managing uninsured or below-excess losses for self-insured organisations.

YDR is recognised as one of the most prominent loss adjusting firms within Australia and has offices in all major cities. The firm has over 30 years' experience in managing large or complex claims requiring specialist technical, legal, commercial, scientific, engineering and surveying expertise. They offer a full-scale commercial loss adjusting services to the insurance industry.

Both teams of loss adjusting specialists bring exceptional expertise and thought leadership to all major loss classes. Their key industry strengths include commercial property, public & product liability, construction & contract works, strata & community corporation, professional indemnity, machinery & equipment, marine, rail, infrastructure, mining, energy, viticulture & wine and cyber and technology.

Both firms are looking forward to working closely together to continue to deliver specialist expertise in the management and assessment of large, complex claims within Australia and New Zealand. For additional information regarding our loss adjusting team out website at <http://www.ydr.net.au/>.
