NEWS RELEASE - 3 Dec 2015

YDR Appointed on Pinery Bushfire

A number of insurers have appointed YDR Chartered Loss Adjusters as an adjusting service provider to manage the devastating 'Pinery' bushfire losses last week.

The Pinery bushfire primarily affected the Lower Mid North and west Barossa Valley regions immediately north of Gawler. The fire raged between the 26th of November and the 2nd of December 2015 destroying a vast area of agricultural land, ravaging homes, farms and bushland in its wake.

YDR are liaising with Police to ensure prompt access to policy holders' properties so reporting to its Principals is timely. Simultaneously YDR is working closely with Insurers' panel of builders and restorers, providing schedules of damage and the like to quantify losses and ensure policy holders have a pathway to speedy resolution of their claims.
