NEWS RELEASE – 19 Sept 2016

YDR Appointed on Adelaide Flood

A number of insurers have appointed YDR Chartered Loss Adjusters as an adjusting service provider to manage the devastating 'Adelaide' flood losses last week.

Adelaide flood primarily affected southern Adelaide with Cross Road, Goodwood Road and Anzac Highway closed to traffic. Thousands of homes have been inundated with water and mud due to flash flooding in areas such as Noarlunga and Old Noarlunga.

YDR are liaising with stakeholders to ensure prompt access to policy holders' properties so reporting to its Principals is timely. Simultaneously YDR is working closely with Insurers' panel of builders and restorers, providing schedules of damage and the like to quantify losses and ensure policy holders have a pathway to speedy resolution of their claims.
