## **NEWS RELEASE – 3 April 2017**

### **YDR Appointed on Cyclone Debbie**

Australian Insurers have appointed YDR Chartered Loss Adjusters as an adjusting service provider to manage the devastating 'Cyclone Debbie' losses last week.

Cyclone Debbie has resulted in thousands of homes and business to be inundated with water and mud. Severe winds have also cause extensive property damage to homes, trees, vehicles and other properties. Large scale damage has also taken place in sugarcane fields in the Proserpine and Mackay areas.

The Insurance Council of Australia has declared a catastrophe for this Queensland cyclone.

YDR are liaising with authorities and stakeholders to ensure prompt access to policy holders' properties so reporting to its Principals is timely. Simultaneously YDR is working closely with Insurers' panel of builders and restorers, providing schedules of damage and the like to quantify losses and ensure policy holders have a pathway to speedy resolution of their claims.
