## **NEWS RELEASE - 8 Jan 2015**

### **YDR Appointed on Sampson Flat Bushfire**

Two Australian Insurers have appointed YDR Chartered Loss Adjusters as their adjusting service provider to manage the devastating 'Sampson Flat' bushfire losses last week.

Sampson Flat is in the Adelaide Hills, on the cusp of the Adelaide suburban landscape. The fire raged between the 2nd and the 7th of January 2018 destroying a vast area of the Adelaide Hills, ravaging homes, farms and bushland in its erratic wake. Suburban premises experienced ash falls, and plumes of smoke were visible from the city centre.

The Insurance Council of Australia has declared a catastrophe (Cat 151) for this South Australian bushfire.

YDR are liaising with Police to ensure prompt access to policy holders' properties so reporting to its Principals is timely. Simultaneously YDR is working closely with Insurers' panel of builders and restorers, providing schedules of damage and the like to quantify losses and ensure policy holders have a pathway to speedy resolution of their claims.
