

## **NEWS RELEASE**

### **Callum Sharp Joins our Adelaide Office**

YDR Chartered Loss Adjusters is pleased to announce that Callum Sharp has joined our Adelaide Office.

Callum has experience in both the motor and insurance industries. His background as a qualified motor mechanic provided him with the skills and experience to move into the insurance industry as a motor underwriter and then motor assessor and technical claims officer.

Callum has progressed to become a domestic and commercial loss adjuster, while still maintaining a focus on machinery breakdown claims.

Callum's background and experience in both industries provides YDR with the skills to continue to offer specialist machinery breakdown skills to the insurance industry. He has a strong focus on ensuring he can negotiate settlements to the satisfaction of all parties involved in a claim.
