

## NEWS RELEASE

### **Simon Martin Joins our Perth Office**

YDR Chartered Loss Adjusters is pleased to announce that Simon Martin has joined our Perth Office.

Simon has been loss adjusting since 2009, having established his career as a mechanical engineer in the United Kingdom before moving to Australia. Simon has assessed and managed various types of claims including complex liability, property, construction, motor, and plant claims. This also involved liaising and negotiating between brokers, insurance companies and claimants.

With a background and natural flair and passion for mechanical engineering, Simon has experience in heavy vehicle, plant and machinery, construction, and technical liability claims. He is well known within the industry for his technical expertise.

### **About YDR**

YDR continues to focus on expanding our in-house expertise in loss adjusting with our core business being Property, Business Interruption, Construction and Liability. We also have significant knowledge and ability in assessing Marine, Rail, Transport, Mining, Machinery, Agriculture and Strata claims.
